

Day 1

Today we started our travel to Poland. 6 o'clock in the morning we entered the train. At first we went to Erfurt, from there our next stop was Berlin. From Berlin we drove about 9 hours to Tarnow, which was our last stop where we switched the train. About 10pm we arrived at the train station in Stary Sacz. A teacher and her friend welcomed us and we had a little late dinner at Mc Donald's. We finally arrived in our hotel.
